| 1 | The information written in support of the non-competitive procurement request does not appear to provide clear and compelling justification. |
| 2 | It seems that the department should be able to devise some competitive method to buy the subject service. |
| 3 | The attached request involves IT services, and it appears, contrary to request section 14, that OIR endorsement of the procurement should be required. |

If you elect to effect approval, please sign the request as appropriate on behalf of the F&A Commissioner.

MEMORANDUM

RECEIVED

TO: Leni Chick, Fiscal Review Committee
FROM: Marcie Mills, Paralegal
DATE: December 5, 2008
SUBJECT: Non-Competitive Contract Summary – ELM Resources

DEC 08 2008

FISCAL REVIEW

The Tennessee Student Assistance Corporation (TSAC) proposes to submit a revised non-competitive Contract with ELM Resources for the provision of student loan data routing services.

Pursuant to Chapter 413, Public Acts of 2003, TSAC is providing the information below for the review of the Fiscal Review Committee.

TSAC submitted the original Contract and supporting documentation to the Fiscal Review Committee on September 25, 2008, to be placed on the October 7 agenda. The Fiscal Review Committee approved the Contract and the Commissioner of Finance and Administration endorsed the Request for Non-Competitive Contract. The Contract and supporting documentation was then submitted to the Office of Contracts Review for approval. However, a provision addressing the option of amending the Contract, as per *Tennessee Code Annotated*, § 12-4-109, and Department of Finance and Administration Rules, Chapter 0620-3-3, did not meet with OCR's standard model language, and the Contract was rejected and returned to TSAC.

TSAC has worked diligently with the Contractor and OCR addressing projected increases in loan volume over the next five years, and is submitting the revised Contract accordingly.

Summary of the Terms of the Contract

The Contract between the State of Tennessee, Tennessee Student Assistance Corporation (TSAC), and ELM Resources, is for the provision of student loan data routing services.

The Contractor shall provide an internet-based, non-proprietary, exchange and disbursement system that seamlessly connects the diverse computing platforms of schools, lenders, and guarantors while providing real-time loan inquiry to borrowers and guarantors, including, but not limited to:

- a student loan delivery system whereby loan requests are routed to and from TSAC, schools, servicers, and lenders;
- provide mapping services such that TSAC receives guarantee requests and loan demographics and loan change records in the applicable file format;
- provide a student loan maintenance system whereby adjustments to loan demographics and loan records are routed to and from TSAC, schools, their servicers, and lenders;
- provide disbursement services in response to notices from lenders and servicers; and
- provide primary customer service, training, and real time interfaces, to ensure that schools and lenders receive data routed efficiently, accurately, and timely.

The Contract is to be effective December 1, 2008, through November 30, 2013, with the maximum expenditure not to exceed four hundred fifty-one thousand and one hundred twenty dollars (\$451,120.00).

Justification for the Proposed Non-Competitive Contract:

Although ELM Resources has provided this service to TSAC since 1998, current market conditions, and the fact that total guarantor fees at ELM have remained flat since 2001, while loan volume has quadrupled, the Contractor is adopting new pricing guidelines. These structural modifications reflect their first material change in almost a decade. Therefore, the Contractor will now charge on a per loan record based on projected volume.

Justification for the Non-competitive Procurement:

There are no reasonable and competitive procurement alternatives to the proposed Contract. The Contractor has provided TSAC with student loan data routing services since 1998.

In addition, over thirty percent of Tennessee schools use ELM Resources exclusively for their loan processing services which would result in a loss of that share of the market if TSAC were to use another vendor.

Business Goal or Objective:

The Contractor provides TSAC with Student Loan Data Routing Services through their on-line, common, non-proprietary, and open information exchange and disbursement system. The Contractor has provided these services for TSAC since 1998 for an annual affiliation fee. However, because of current market conditions in the student loan industry, the Contractor will now charge \$0.40 per loan record based on projected volume (155,000 annually).

These services have been provided to TSAC through ELM since 1998 and will not be modified under the contract. This contract is needed only to allow for payment of services currently delivered.

Functional & Technical Description: (For application related projects, please identify platform, development language and database)

The Contractor provides a common and open information exchange and disbursement system online that connects the diverse computing platforms of schools, lenders and guarantors while providing real-time loan inquiry to borrowers and guarantors, allowing TSAC to process and guarantee the loans. The data is transmitted to, and resides on, TSAC's database through its contracted servicer's internet-based platform (Nelnet Guarantor Solutions OIR approved 332.05-06-09/FA06-16570-000); and provides

- a student loan delivery system whereby loan requests (for guarantee) are routed to and from TSAC and schools (and their servicers) and TSAC and lenders (and their servicers);
- mapping services to schools (and their servicers) and lenders (and their servicers) having that need such that TSAC receives guarantee requests in CommonLine file format;
- adjustments to loan demographics, loan changes and other data changes to be routed to and from TSAC and schools (and their servicers) and TSAC and lenders (and their servicers) depending on data flows selected by schools;
- mapping services to schools (and their servicers) and lenders (and their servicers) having that need such that TSAC receives loan demographics and loan change records in CommonLine file format;
- disbursement services in response to having received a notice from a lender (or its servicers);
- primary customer service, training, and real time interfaces, within current data standards, to ensure that both schools and lenders receive data routed efficiently, accurately, and timely.

D. STANDARD TERMS AND CONDITIONS:

- D.1. Required Approvals. The State is not bound by this Contract until it is approved by the appropriate State officials in accordance with applicable Tennessee State laws and regulations.
- D.2. Modification and Amendment. This Contract may be modified only by a written amendment executed by all parties hereto and approved by the appropriate Tennessee State officials in accordance with applicable Tennessee State laws and regulations.
- D.3. Termination for Convenience. The State may terminate this Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the State. The State shall give the Contractor at least ninety (90) days written notice before the effective termination date. The Contractor shall be entitled to receive compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Contractor fails to properly perform its obligations under this Contract in a timely or proper manner, or if the Contractor violates any terms of this Contract, the State shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Contract by the Contractor.
- D.5. Subcontracting. The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract, as outlined in Section A of this contract, without obtaining the prior written approval of the State. If such subcontracts are approved by the State, they shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings).

Notwithstanding any use of approved subcontractors, the Contractor shall be the prime contractor and shall be responsible for all work performed.

- D.6. Conflicts of Interest. The Contractor warrants that no part of the total Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Contractor in connection with any work contemplated or performed relative to this Contract.
- D.7. Nondiscrimination. The Contractor hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the Contractor on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Contractor shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.8. Prohibition of Illegal Immigrants. The requirements of Public Acts of 2006, Chapter Number 878, of the state of Tennessee, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.
- a. The Contractor hereby attests, certifies, warrants, and assures that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The Contractor shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document as Attachment A, hereto, semi-annually during the period of this Contract. Such attestations shall be maintained by the Contractor and made available to state officials upon request.
 - b. Prior to the use of any subcontractor in the performance of this Contract, and semi-annually thereafter, during the period of this Contract, the Contractor shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. Attestations obtained from such subcontractors shall be maintained by the Contractor and made available to state officials upon request.
 - c. The Contractor shall maintain records for all personnel used in the performance of this Contract. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the State.
 - d. The Contractor understands and agrees that failure to comply with this section will be subject to the sanctions of Public Chapter 878 of 2006 for acts or omissions occurring after its effective date. This law requires the Commissioner of Finance and Administration to prohibit a contractor from contracting with, or submitting an offer, proposal, or bid to contract with the State of Tennessee to supply goods or services for a period of one year after a contractor is discovered to have knowingly used the services of illegal immigrants during the performance of this Contract.
 - e. For purposes of this Contract, "illegal immigrant" shall be defined as any person who is not either a United States citizen, a Lawful Permanent Resident, or a person whose physical presence in the United States is authorized or allowed by the federal Department of Homeland Security and who, under federal immigration laws and/or regulations, is

authorized to be employed in the U.S. or is otherwise authorized to provide services under the Contract.

- D.9. Records. The Contractor shall maintain documentation for all charges under this Contract. The books, records, and documents of the Contractor, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the State, the Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.10. Monitoring. The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.11. Progress Reports. The Contractor shall submit brief, periodic, progress reports to the State as requested.
- D.12. Strict Performance. Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.13. Independent Contractor. The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- The Contractor, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Contractor's employees, and to pay all applicable taxes incident to this Contract.
- D.14. State Liability. The State shall have no liability except as specifically provided in this Contract.
- D.15. Force Majeure. The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, acts of God, natural disasters, riots, wars, epidemics or any other similar cause.
- D.16. State and Federal Compliance. The Contractor shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.
- D.17. Governing Law. This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Contractor agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract. The Contractor acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.18. Completeness. This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

- D.19. Severability. If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.
- D.20. Headings. Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Contract, these special terms and conditions shall control.
- E.2. Communications and Contacts. All instructions, notices, consents, demands, or other communications required or contemplated by this Contract shall be in writing and shall be made by certified, first class mail, return receipt requested and postage prepaid, by overnight courier service with an asset tracking system, or by email or facsimile transmission with recipient confirmation. Any such communications, regardless of method of transmission, shall be addressed to the respective party at the appropriate mailing address, facsimile number, or email address as set forth below or to that of such other party or address, as may be hereafter specified by written notice.

- E.3. Subject to Funds Availability. The Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Contract upon written notice to the Contractor. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Contractor shall cease all work associated with the Contract. Should such an event occur, the Contractor shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Contractor

shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

- E.4. Tennessee Consolidated Retirement System. The Contractor acknowledges and understands that, subject to statutory exceptions contained in *Tennessee Code Annotated*, Section 8-36-801, *et. seq.*, the law governing the Tennessee Consolidated Retirement System (TCRS), provides that if a retired member of TCRS, or of any superseded system administered by TCRS, or of any local retirement fund established pursuant to *Tennessee Code Annotated*, Title 8, Chapter 35, Part 3 accepts state employment, the member's retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the Contractor may be required to repay to TCRS the amount of retirement benefits the Contractor received from TCRS during the period of this Contract.
- E.5. Prohibited Advertising. The Contractor shall not refer to this Contract or the Contractor's relationship with the State hereunder in commercial advertising in such a manner as to state or imply that the Contractor or the Contractor's services are endorsed. It is expressly understood and agreed that the obligations set forth in this section shall survive the termination of this Contract in perpetuity.
- E.6. Confidentiality of Records. Strict standards of confidentiality of records shall be maintained in accordance with the law. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State shall be regarded as confidential information in accordance with the provisions of State law and ethical standards and shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with State law and ethical standards.

The Contractor will be deemed to have satisfied its obligations under this section by exercising the same level of care to preserve the confidentiality of the State's information as the Contractor exercises to protect its own confidential information so long as such standard of care does not violate the applicable provisions of the first paragraph of this section.

The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the State to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure. It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.

- E.7. Voluntary Buyout Program. The Contractor acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
 - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Contractor understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State

contractor would not be appropriate, and in such cases the State may refuse Contractor personnel. Inasmuch, it shall be the responsibility of the State to review Contractor personnel to identify any such issues.

- c. With reference to either subsection a. or b. above, a contractor may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: www.state.tn.us/finance/rds/ocr/waiver.html. The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
